

DISTRICT TWELVE 2018 CALL TO CONFERENCE

Welcome to our 63rd Annual Conference in Eugene, Oregon

District Twelve Annual Conferences are a time to learn, grow, be inspired, meet kindred spirits, have fun and meet Altrusans from all around our District. In the process we recommit to why we became and remain Altrusans: Making our community a better place through the services we provide.

The theme of our conference this year is 'Energize and Renew'. And that is what we are planning for with a program that includes amazing speakers, a large selection of Round table topics and workshops in the four tracks of Leadership, Membership, Operations and Fun. During the round table time on Friday you'll have the opportunity to select 6 different topics.

The local club in Eugene is bringing a wonderful Early Bird event to us and they have secured several local keynote speakers to inspire and uplift us.

This Call To Conference is full of information about the May conference. If you need any additional information, please contact me or any of the other District Board members. We are here to help.

And don't wait to book your rooms!!

See you in Eugene soon.

Bettina Schempf,
District Governor 2017-19

A Message from our International President

It is that time of year when we start thinking about attending our District Conference. Perhaps it will be your first time, maybe you made a New Year's Resolution to attend, perhaps you are thinking of stepping into a leadership role in your club and are thinking about learning more about Altrusa, perhaps you have been many times before and don't want to miss out – whatever your reason for attending your District Conference – it will be a decision that you won't regret. I have been fortunate to not only attend many of my own District Conferences, but also as a member of the International Board, I have been fortunate to attend a number of other District Conferences – each memorable for different reasons, great speakers, fun dress up events, informative workshops – but each with one common aspect – the opportunity to share ideas with other Altrusans, learn from each other and make long lasting friendships. At your conference you will have the opportunity to meet with your assigned International Representative. I would recommend that you take the opportunity to engage with them – that is what they are there for. They attend your conference to share news of our organization with you but also to hear your viewpoint, ideas and issues and to share and learn right alongside you.

It is important that each club has members attend District Conference. It is a great place for your new and developing club leaders to gain more knowledge about Altrusa and upon their return the ideas and energy they bring can add a real injection of vigor into your club. Remember that Conference is not only for the experienced members – it is an ideal way to build leadership in your club. On a personal note - attending District Conference is a decision that I have never regretted and I know that it will be a decision that you will not regret either. Let's make 2018 the year with record conference attendees!

Friday Fun Night

ENERGIZE THE WORLD

brought to you by Corvallis Altrusans

Get ready for rhythm and games. Dress up to represent your ancestry or a costume or culture you love.

Our entertainment will be Monmouth Taiko.

History of Taiko: Taiko drumming has always been used for communication and celebration. Taiko music was transformed into a group performance ensemble in Japan during the 1950's. Since that time ensemble style Taiko has become increasingly popular both in Japan and the US.

Monmouth Taiko is based in Monmouth, Oregon. It was started in 1995 by Koichi Ando and Todd Wilson to provide an opportunity for members to practice and perform the age old Japanese tradition of Taiko drumming. That first year they constructed two Taiko. As more Taiko were made, the membership could expand. There are now eight performing members. The group includes students and graduates who came to the US from Japan to further their education and expand their cultural experience. Their Taiko songs and choreography are a mix of traditional and modern, with some original material.

Check them out at www.monmouthtaiko.org

INTERNATIONAL REPRESENTATIVE

Leanne Milligan

*International President
Altrusa International, Inc. of Te Awamutu,
New Zealand District Fifteen*

Leanne currently serves as our International President. A member of Altrusa since 1994, over the years Leanne has undertaken roles at all levels of Altrusa. She has held many offices in her club, and on the District level, serving as District Governor 2009-2011. Also on the International level, she was a member of the 2001-2003 Bylaws Resolutions and Recommendations Committee and in 2003-2005 chaired the Service Development Committee. In addition, she was a member of the 2009-2011 International Long Range Strategic Planning Committee and Co-chair of the Governor's Council. Leanne has served on the International Board as Treasurer, Vice President and President Elect. In 2016-2017 Leanne is also chaired the Centennial Committee.

Asked why she does so much "stuff" for Altrusa, Leanne replied "it is simple really – I will never be able to give back to Altrusa as much as I have received. Altrusa is a builder of leaders and it has taken me from a shy young women who wouldn't say boo to a goose to someone who can stand up in front of an audience and speak. Altrusa and the support of Altrusans in my own club, district and internationally has made me who I am".

Leanne is a fully qualified Chartered Accountant since 1994 (equivalent of the United States CPA), working in corporate, public practice and audit sectors in manufacturing, agribusiness, property development, retail and distribution industries. For these past eighteen years, she has been working for Waitomo Petroleum Ltd. as the Chief Financial Officer and is responsible for financial reporting, systems development and strategic/business planning. Leanne is fortunate that she has the support of Waitomo's Board in giving her flexibility to travel to fulfill her Altrusa duties.

In addition to her other professional interests, she currently serves as the chair of the Board of Trustees for MS Waikato Trust and is a member of the board for the Assistance Dogs of New Zealand Trust.

She has lived in Te Awamutu for the past twenty four years and is single with one very spoiled cat. She enjoys scrapbooking, card making, and cake decorating, walking and reading if time permits. Her main passion, (some might call it an obsession) is collecting soft toys, with over 7,300 in her collection. She is always on the lookout for something she doesn't have!

WELCOME BREAKFAST

Monica Wilton

Executive Director, Eugene Library Foundation

Monica Wilton brings a unique skill set to her work as Executive Director of the Eugene Public Foundation. In her first career as an educator, Monica earned Master's degrees in Educational Leadership and Administration and Educational Psychology. After several years as a director of choral music and then an instructor of voice and performance at the University of Oregon, Monica turned to service in the social benefit arena. She drew on her knowledge of events and volunteer management for her position as Special Events Manager at Holt International, before moving to Catholic Community Services as the Director of Development. She has served as the Executive Director of the Eugene Public Library Foundation for seven years. Her love of collaboration and education as well as her experience with benefit events and resource development are key elements in her ability to help increase support for library programs.

The Eugene Public Library Foundation supports Eugene Public Library in its efforts to encourage lifelong learning for thousands of people in the Eugene community. The addition of the Imagination Library of Eugene in 2013 is one example of foundation support of our library.

Founded by Dolly Parton, the Eugene Public Library Foundation became an Imagination Library affiliate in 2013. Since then, thousands of books have been sent to Eugene's preschool children, aged 0 to 5. The books arrive at home in the mail, once a month. This service is free to families, and open to any preschooler in Eugene city limits.

DR. NINA FAY CALHOUN INTERNATIONAL RELATIONS AWARD

It is time to begin considering what projects your club has done to stimulate awareness of other cultures and people of the world. If you haven't done anything yet, there is still time to get involved and reach beyond your own community. In fact two of the UN days of recognition you might center a project around are coming up. February 20 is World Day of Social Justice and March 8 is International Women's Day.

The Dr Nina Fay Calhoun International Relations Award is an Altrusa International Award selected at each District Conference whose winner is then sent on to the International Convention for consideration of an award. Criteria for this award were reviewed and updated in 2017 so be sure to review the pertinent information about the award, eligibility, entry preparation, judging criteria and entry form on www.altrusa.org in the member section. Instructions: Select Member Login. From there, go to Publications, then Forms, International Award Forms and finally to the Dr. Nina Fay Calhoun International Relations Award. The information can be saved and then once it is saved to the submitting person's computer as an adobe document, click on "add text" and begin typing.

It takes some time to prepare the entry but by submitting your entry you share not only your club's amazing work with our District, you also inspire others to follow in your steps. Tell your story, why the project was chosen, how it was developed and carried out and the benefits it provided.

An unscored, 60 word synopsis needs to be included and will be used at the conference awards ceremony for all to read and pique their interest in your work.

The deadline for the application is March 31. You can send a hard copy to: **Carolyn Powers** 733 SE Winterfield Place, Corvallis, OR 97333 or email to: nanapowers1991@gmail.com. If you have any questions, call 541-207-3556 (H) or 541-760-3135(C). Share your story with pride and benefit all the clubs in District Twelve by your example!

— *Carolyn Powers, District International Relations Chair*

ALTRUSA AWARDS CONTINUED

GWLADYS BREWSTER OUTSTANDING ALTRUSAN AWARD

This award is an award bestowed on a member of District Twelve at the annual Conference. It is named after Gwladys Brewster, Past Governor (1973-1975), Altrusa International of Nanaimo.

Each of our District clubs has many members who give willingly of their time and talents in service to Altrusa. They make a lasting contribution to our organization and communities. However, each club may only submit one name. Your nominee should be that hard working individual who is committed to club projects and club leadership. It may be your “go to person” for advice or the person your members all look up to. This person adds that extra measure of spice that keeps your club moving forward. The recipient of this award will receive an International Foundation Lamplighter Pin, which is acquired by a \$500 contribution the District makes annually to the International Foundation. These contributions are made possible by the proceeds from the District Conference Raffle each year. **Since this is a District Award, the application is not on the International website. It will be sent to Club Presidents.**

Each District Twelve conference, Altrusa clubs put together the best of best items that represent their club, community, as well as treasures found nowhere else! You are invited to give of your bounty, be it from your club, individual Altrusans, or community donors. Altrusa International of Longview-Kelso will assist with raffle sales and raffle room staffing.

Be creative and thematic if that fits your area. Your favorite wine or book collection, watermelon garden, or sweet creations might spark creative ideas. Selected items will be on the bidding block for some fun and lively bidding.

Revenue is divided equally between District Twelve and the Altrusa International Foundation, unless the donor specifies at check-in that revenue from their item benefits the International Foundation only. As in the past, larger items will be set aside for Saturday evening's live auction, which definitely won't be silent!

WHAT TO WEAR

We all know that the weather is very unpredictable and this year has been anything but normal. The historical averages for May in Eugene are lows around 44 and highs about 67. Average precipitation in May is 2.76 inch.

Since most of our meetings and meals are within the same building, bring comfortable **BUSINESS-CASUAL clothing** for the Business Sessions and Workshops. Meeting room temperatures can vary, so dressing in layers is wise – bring a SWEATER OR LIGHT JACKET. No matter the function, COMFY SHOES are a must, particularly if you're walking during your free time.

The Early Bird event and Saturday lunch location are within walking distance from the hotel- bring a jacket and an umbrella just in case our liquid sunshine makes an appearance. The Saturday Evening Banquet is dress-up night, so bring on the GLAM & GLITZ if you like. Don't forget your costumes for Friday night if you choose to participate. It's strictly up to you. You are welcome in costume or not.

EMBRACING MEMORIES TRIBUTE

In Conference tradition, we will honor the lives of Altrusans who passed away over the last year, celebrating their lives and accomplishments. A photo and short biography are needed for each deceased member ahead of time. The biography should include some Altrusa information as well as personal information ... what was their favorite food, did they love to travel, etc. Please send information to Linda Peterson by May 1, 2018 at lindap2501@me.com or 177-107th Ave NE, #1203, Bellevue, WA 98004

SATURDAY NIGHT: INTERNATIONAL FOUNDATION BANQUET

This should be a fun time catching up with your Altrusa family. The main event is the Gwladys Brewster Outstanding Altrusan Award with the evening concluding with the ever exciting Live Auction.

Prior to the Live Auction, there will be a brief Altrusa Accent about the Altrusa International, Inc. Foundation. Remember, 100% of the Live Auction proceeds (as well as the Raffle 50/50) go to the Foundation to support YOUR community programs – Grants, Disaster Relief, Club 21, and Endowment Fund. Look forward to a fun evening of good 'ol Altrusa fellowship and fun.
